

Please join the Piedmont Garden Club

Wednesday, January 16, 2019

Piedmont Community Hall - 711 Highland Avenue

9:30 am coffee - 10:00 am presentation

SAM HODDER

President, CEO Save the Redwoods League

The coast redwood and giant sequoia forests are home to the tallest trees on the planet. They represent the original face of nature, embodying a beauty millions of years in the making. These forests store more carbon from the atmosphere and support communities of life found nowhere else on earth.
